

# Biloxi/New Orleans “Fun Tour”

**\$399.00**  
**AUG 3-6, 2009**

Join the Heritage Club for a fun trip to Biloxi, MS....

*The fun begins as we board our luxurious video-equipped motorcoach in Lake City. There's entertainment along the way and rest stops every two hours. A lunch stop in at Lambert's "Threwed Rolls Cafe" provides more fun as we are entertained by the antics of the servers and attempt to "catch" our dinner rolls.*

*Arriving at the hotel, we are astounded at the beauty and luxury of the five star resort property featuring seven restaurants, four lounges, retail stores, spa, salon and pool, plus a huge atrium decorated with thousands of trees, plants and flowers. It's obvious we won't even have to leave our hotel to enjoy this trip.*

*Day two begins with a fabulous Deluxe Buffet Breakfast before departing for a day trip to exciting New Orleans. Our local guide in New Orleans informs and entertains us with colorful stories, plus facts and customs of this historic city. After a tour of the Historic "French Quarter" and a chance to sample fabulous New Orleans cuisine, we visit Harrah's Casino for a little gaming before returning to Biloxi.*

*Day three begins with a another Deluxe Buffet Breakfast, then we board the coach for an optional shopping tour to Biloxi's famous Outlet Mall. Before returning to the hotel, we make a short visit to one of the other famous casinos on the Biloxi Coast. We return to our beautiful hotel in the early evening in time for a fabulous Buffet Dinner. We are amazed at the variety of dishes available; Cajun, Southern, Oriental, Tex.Mex...an endless array of succulent dishes. The food alone is worth the trip!*

*Evening finds us free to relax, browse the hotel shops or perhaps try our luck in the exciting 83,000 sq foot Casino featuring 2,100 slot machines, 230 video poker machines, and 93 table games.*

*Day four we return home with lots of memories of a fun time together...and already making plans to return.*
